Ohio/Kentucky Chapter of The ESOP Association Recognized for Outstanding Membership Recruitment for the Second Year

May 6, 2009 (Washington, DC) – The Ohio/Kentucky Chapter of The ESOP Association has been recognized for its commitment to membership recruitment at The ESOP Association’s 32nd Annual Conference in Washington, DC. This is the second year in a row this award has been presented to the Ohio/Kentucky Chapter. The ESOP Association is the national trade association for companies with employee stock ownership plans (ESOPs) and the leading voice in America for employee ownership.

The Ohio/Kentucky Chapter was selected from among 18 Association Chapters across the United States for this honor. The Chapter serves Association members in Ohio and Kentucky.

“I’m very proud to present this honor to the Ohio/Kentucky Chapter for the second year in a row,” said J. Michael Keeling, president of The ESOP Association. “This year, the Chapter leadership worked hard to make the ESOP community’s voice stronger.”

The core cause of The ESOP Association is the belief that employee ownership will improve American competitiveness, increase productivity through greater employee participation, and strengthen our free enterprise economy.
