Sandra Paavola of Enterprise Services, Inc. Receives Membership Recruitment Award from The ESOP Association

May 6, 2009 (Washington, DC) – Sandra Paavola, Vice President of Enterprise Services, Inc. in Delafield, Wisconsin, has been presented with the 2009 Membership Recruitment Award for a Professional Member by The ESOP Association. The award was presented at the Association’s 32nd Annual Conference in Washington, DC. The ESOP Association is the national trade association for companies with employee stock ownership plans (ESOPs) and the leading voice in America for employee ownership.

Ms. Paavola is the current Treasurer of the Wisconsin Chapter and has been involved with the ESOP community for many years. Her commitment to employee ownership is evident in the work she does not only for the Association and her Chapter but her work with ESOP companies through Enterprise Services, Inc.

“Sandra had done a tremendous job furthering the community’s cause and encouraging ESOP companies to join the Association,” said J. Michael Keeling, president of The ESOP Association. “I am pleased to present her with this award.”

The core cause of The ESOP Association is the belief that employee ownership will improve American competitiveness, increase productivity through greater employee participation, and strengthen our free enterprise economy.
