

Let us help you promote your expertise in the “ESOP EXPERTS”!

Again this year, ESOP service providers can buy advertisements in The ESOP Association Membership Directory and on our web site (www.esopassociation.org) displaying their specialties for a few extra dollars. We are offering you an opportunity to gain even greater exposure to all of those in and out of the ESOP / employee ownership community.

In 2011, more than 200 firms capitalized on the opportunity to market their services by specialty on The ESOP Association’s Web site and in the 2011 Membership Directory. The “ESOP Experts” section of the Web site receives on average over 1200 “hits” per month. We also know that many ESOP company executives utilize the “ESOP Experts” section of the directory when choosing a service provider.

All “ESOP Experts” subscribers will be listed in a “special” “ESOP Experts” section on The ESOP Association’s Web site. Also, all subscribers with a Web site will automatically be linked from the Association’s Web site. And, upon written request, edits will be made on a monthly basis to all listings posted to the Association’s “ESOP Experts” on the Web site. Therefore, for a small fee, it enables Professional Members to gain additional exposure to highlight their firms' capabilities to literally thousands of potential customers, both in the directory and on the Web site, as well as to announce any changes in your address, telephone number, etc.¹

Please identify those categories under which you and your firm would like to be listed:
